Becoming Women of Worth

Why a feeling that she is less than 'he' indwells women? She thinks she has to do what a man does to be of any worth. She battles with the feeling of inferiority. How did this feeling come?

God made man in His image and God made women in His image then why this difference? Together Man and Woman reflect the complete image of God. Yet the enemy sowed this seed of inferiority as Satan sees a woman to be his threat as somebody from her womb will crush his head. The Lord restored the worth of the woman and gave her back her dignity.

Now we can be women of worth by knowing:

- 1) That we are valued by the Lord
- 2) Understand the call of our life as women.
- 3) Be an agent of transformation.

The Lord transforms us and then uses us to bring transformation in the lives of others.
