Jesus the truth and the life

Pilate is not at all comfortable being put in a position of judging this man of great repute among the Jews. Pilate raised the most important question in life. But he did not wait for the answer. He asked what is truth? And turned and walked away.

The peace, the sustenance that Jesus gives is a remarkable story of a relationship which he carries you through that pain and suffering. Don't ever think you are in a position that you can do whatever you want. We are all vulnerable people.

1. God's description of the condition.
2. His provision for the condition &
3. His sustenance for the support in suffering and pain.

If you don't know Jesus I pray you get to know Him, if you do know Him then serve Him with all your heart.
